

Dear Friends of the NACO  
Mr. Ross Francis

Thank you so much for kindly donating the funds for the Friends of the NAC Orchestra Scholarship! I appreciate this sponsorship very much. This year in Kiwanis I have been also chosen as Provincial Representative for the fourth time in a row, and these funds will assist me to cover some of these funds. I think Kiwanis is a great experience for musicians to discover the abilities of other musicians, and push themselves to their peak performance, so I'm happy that I'll be able to continue to participate. I'm in grade 9 at school right now, but when I get to a certain age I plan to take a music program in university, and continue to be a violinist my whole life. Right now I study with Elaine Klimasko, and I'm really enjoying the things she brings to my lessons.

Thanks and I appreciate your support!
