

Dear Friends of the NACO and Mr. Laister,

I'd like to thank you very much for this generous scholarship that I received through Kiwanis!

Throughout the past years I have participated at various events in you have been invited and I admire your drive to continue supporting young artists like myself and the music scene in Ottawa, as a whole.

I definitely plan to use this bursary towards my future violin performance studies at University of Montreal.

Sincerely,

Maria-Sophia Pera
